RE: 2017-2018 Early Enrollment

The NEA/WEA Early Enrollment Membership Plan is being offered for the 2017-2018 membership year beginning April 1 through August 31, 2017. To assist you in recruiting early enrollees in your local, please see the enclosed information.

The Early Enrollment Membership Incentive Plan includes instructions on how to fill out the Membership Contract, a blank Membership Contract, and a Pledge Form. The completed and signed Pledge Form and Membership Contract need to be returned to my attention at the address above.

Remember, the early enrollment program is only for a person who has never been a member of any NEA affiliate, including the student organization. If you are not sure whether someone has been a member before in some other district or state or as a student, just give me a call and I can look them up. Usually having the person's Social Security number works the best. If the person has been a member before, our electronic NEA membership system will not let me put them in as an early enrollee.

If you have any questions on this program or the forms, please do not hesitate to contact me. I can be reached at 800-442-2395, ext. 102, or lbottom@wyoea.org.
