The Wyoming Education Association Political Action Committee for Education (WEA-PACE) collects voluntary contributions from Association members and uses those contributions on behalf of friends of education who are candidates for state/local office to promote the causes of children, public education, and public school and college employees. A representative committee makes endorsements of candidates in a non-partisan fashion. WEA members are encouraged to support WEA-PACE with their voluntary contributions. A \$20 contribution is all it takes to become a WEA-PACE member and supporter. Additional recognition is given to members who join at the WEA PACESETTER (\$50) and the WEA Super PACESETTER (\$100) levels. Contributions to WEA-PACE are voluntary; making a contribution is neither a condition of employment nor of membership in WEA, NEA, or any of its affiliates, and members have the right to refuse to contribute without suffering any reprisal.

Contributions to BEAP are not deductible as charitable contributions for Federal Income Tax purposes
