I hereby apply for membership in my local association, WEA and NEA. I understand that membership is open only to those who agree to subscribe to the goals and objectives of the Association and to abide by its Constitution and Bylaws. I also understand that the NEA/WEA dues include the cost of a one-year subscription to NEA TODAY and other publications appropriate to each membership category.

The Wyoming Education Association Political Action Committee for Education (WEA-PACE) collects voluntary contributions from Association members and uses those contributions on behalf of friends of education who are candidates for state/local office to promote the causes of children, public education and public school and college employees. A representative committee makes endorsements of candidates in a non-partisan fashion. WEA members are encouraged to support WEA-PACE with their voluntary contributions. A \$20 contribution is all it takes to become a WEA-PACE Member and supporter. Additional recognition is given to members who join at the WEA PACESETTER (\$50) and the WEA Super PACESETTER (\$100) levels. Contributions to WEA-PACE are voluntary; making a contribution is neither a condition of employment nor of membership in WEA, NEA, or any of its affiliates, and members have the right to refuse to contribute without suffering any reprisal.

The NEA Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. *Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund.* Contributions to the NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. Contributions to the NEA Fund are not deductible as charitable contributions for federal income tax purposes. Federal law requires political committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits The NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.

I understand that I may revoke this authorization before September 20 of any calendar year for the ensuing year by giving written notice to that effect to my employer's payroll office, the local association, and the WEA office.** I understand that, should I terminate my employment or wish to terminate my membership at any time within the membership year, I will owe the remaining dues balance for that membership year. I understand that my local, WEA, and NEA will not refund to me any amount already paid.

I hereby waive all right and claim for said monies so deducted and transmitted in accordance with this authorization, and relieve the school board and all its officers from any liability. Dues payments are not deductible as charitable contributions for federal income tax purposes. Dues payments (or a portion) may be deductible as a miscellaneous itemized deduction.
