Dear Wyoming Educator:

It’s an exciting time in Cheyenne as we look toward the restoration and renovation of the Wyoming State Capitol and Herschler building. With that said, however, we also understand that the closure of the Capitol building will greatly impact field trips to the Capitol Complex in Cheyenne.

Although the Capitol is closed, and will remain closed for the duration of the project, we still invite you to bring your class to visit and experience the sites and processes of Wyoming’s Capitol Complex – home to Wyoming’s Executive, Legislative, and Judicial branches – either individually or in any combination.

In order to assist you with planning your next classroom visit, here are some field trip options. Programs include:

- Wyoming State Capitol (via The Wyoming State Capitol exhibit and program at the State Museum)
- Wyoming State Legislature
- Wyoming Supreme Court
- Wyoming State Museum
- Wyoming Historic Governors’ Mansion

To learn more about these various programs, to view the standards and benchmarks, and to schedule your visit, please visit us online at http://wyospcr.state.wy.us/CapitolComplex/index.html. The website also provides programs, lesson plans, and resources for use in your classroom if you’re unable to visit the Capitol Complex. We’ve also included some basic information about these programs on the next page.

If you have any questions, please do not hesitate to contact any of us. We all look forward to working with you to ensure that Wyoming’s students are able to learn, first-hand, about Wyoming, past and present.

Sincerely,

Lynette West – Tour Guide, Wyoming State Capitol
Riana Davidson – Associate Legislative Information Officer, Legislative Service Office
Matt Swift – State Law Librarian, Wyoming Supreme Court
Nathan Doerr – Curator of Education, Wyoming State Museum
Christina Bird – Superintendent, Wyoming Historic Governors’ Mansion
A Few Things to Consider When Planning Your Class Visit

**Drop Off and Parking:** Street parking for buses is available within the Capitol Complex (Wyoming Supreme Court, Wyoming State Museum, and the Wyoming Historic Governors’ Mansion) and a parking lot is available at the Jonah Business Center for visits to the Wyoming State Legislature. For suggested drop off and bus parking locations, please check with the program coordinator at the particular location.

**Group Gathering/Lunch Spaces:** With the exception of the Wyoming State Museum’s multi-purpose room, there are no large gathering spaces available at the program locations. The Museum’s multi-purpose room may be scheduled through Nathan Doerr, nathan.doerr@wyo.gov.

**Group Size:** The Wyoming State Legislature and Wyoming Supreme Court can typically accommodate all members of a visiting group at once. The Wyoming State Capitol Exhibit and Program, Wyoming State Museum, and Wyoming Historic Governors’ Mansion request that groups be limited to approximately 25 students, which typically results in groups splitting up between at least two program locations.

**Chaperones:** We require at least one chaperone for every 8-10 students. Teachers are included in this ratio.

**Travel Time Between Program Locations:** Please plan for 15 minutes of travel time within the Capitol Complex and 30 minutes for traveling to/from the Wyoming State Legislature.

**Wireless Internet Access:** Wireless internet is available at some of the program locations. If you require access during your visit, please check with the program coordinator at the particular location.

Legislators generally cannot visit classrooms during the months of
January-March because of the legislative sessions. For more information about the program and how to schedule a legislative visit, please see: http://legisweb.state.wy.us/BacktoSchoolProgram/faq.aspx.

The center includes interactive exhibits to teach students about the importance and meaning of the Rule of Law. Exhibits highlight Wyoming’s unique and significant contributions to our country’s legal system. Understanding the law can be difficult. The center provides a fun and interactive environment to promote education about important legal concepts.

A typical visit for 20 students lasts approximately one hour and includes a 15 minute introduction by a Wyoming Supreme Court Justice and a 30 - 45 minute tour of the Judicial Learning Center. When booking a visit you may select from two options as follows:

- **Option 1:** Introduction by a Wyoming Supreme Court Justice (approximately 15 minutes) in the courtroom and a tour of the Judicial Learning Center. (approximately 30 - 45 minutes). We cannot guarantee that a Justice will be available for all visits, but will try to accommodate requests when possible.
