NEA Fund for Children and Public Education – suggested donation \$15

The NEA Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. *Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund.* Contributions to the NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. Contributions to the NEA Fund are not deductible as charitable contributions for federal income tax purposes. Federal law requires political committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits The NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.
