RE: 2020-2021 Early Enrollment

The NEA/WEA Early Enrollment Membership Plan is being offered for the 2020-2021 membership year beginning April 1 through August 31, 2020. To assist you in recruiting early enrollees in your local, please see the enclosed information.

The Early Enrollment Membership Incentive Plan includes instructions on how to fill out the Membership Contract, a blank Membership Contract, and a Pledge Form. The **completed and signed Pledge Form and Membership Contract need to be returned to my attention at the address below.**

Remember, the early enrollment program is only for a person who has never been a member of any NEA affiliate, including the Aspiring Educators organization. If you are not sure whether someone has been a member before in some other district or state or as an aspiring educator, just give me a call and I can look them up. Please include the last four digits of the person's Social Security number. If the person has been a member before, our electronic NEA membership system will not let me put them in as an early enrollee.

If you have any questions on this program or the forms, please do not hesitate to contact me. I can be reached at 800-442-2395, ext. 102, or [lbottom@wyoea.org](mailto:lbottom@wyoea.org).
